Wheels & Brake Rotors

A. V-ROD® 5-SPOKE WHEEL – BLACK ICE

Brawn is back. Five big and beefy spokes define the distinctive hot rod styling and the knife-edge shape provides an angular spin on the traditional custom wheel look. Pick your styling direction; the rich black finish blends easily into a blacked-out bike, but the wet-look shimmer holds its own in the company of chrome as well. All Genuine Motor Accessory wheels have been certified by Harley-Davidson to perform to our tough vehicle standards for fit, quality and durability. Wheels require separate purchase of model-specific Wheel Installation Kit, Sprocket hardware and Brake Rotor-specific hardware. See I-sheet for details.
